

Welcome to the Dunmore Candy Kitchen Fundraising Program!

Thank you for choosing the Dunmore Candy Kitchen as your fundraising partner!
Please follow these step-by-step instructions to help you navigate our fundraising program.

Step 1: Visit www.dunmorecandyfundraising.com/downloads to download the brochure and order form if you have not received a physical copy. You can also use these if you lost your brochure or need more order forms.

Step 2: Begin fundraising! Once you gather your orders, use the order form to total how much each customer owes you in the "Customer Total" area. When finished, use the "Product Totals" column on the right to add up the grand total of each product ordered. You will need this total to place your order online.

Step 3: Ready to place your order? Head to www.dunmorecandyfundraising.com/shop/2025-Winter. You will be prompted to enter your store's password (see bottom of this sheet). Once logged in, you can begin putting together your order! Once finished, proceed to checkout.

Step 4: Enter in the required information, including the Organization Name as it appears below. Once you are all set, click "Place Order". **Note: You may be required to verify your email address again after you press "Place Order".**

Step 5: Order Confirmed! Keep a record of your confirmation. Payments will be made directly to your fundraising organization, so contact them for the best way to make a payment. No payments are made on the website.

Happy Fundraising! And Remember... Stay Sweet!

The Dunmore Candy Incentive Program

As a way to help organizations raise funds, the Dunmore Candy Kitchen has created our Incentive Program! This program is completely free for organizations to participate in, and can be a great tool to help encourage your participants to raise more funds!

How It Works

The Top 3 Earners for your organization will receive an Amazon Gift Card included with their order. The Gift Cards value increases based on your organization's gross sales:

Tier 1: \$1,000-\$1,499

<i>Earners</i>	<i>Gift Card Value</i>
1st	\$25
2nd	\$10
3rd	\$10

Tier 2: \$1,500-\$4,999

<i>Earners</i>	<i>Gift Card Value</i>
1st	\$50
2nd	\$25
3rd	\$10

Tier 3: +\$5,000

<i>Earners</i>	<i>Gift Card Value</i>
1st	\$100
2nd	\$50
3rd	\$25

We will keep you updated throughout your fundraiser campaign to let you know how much your organization currently has sold. With these tiers, you can then encourage your participants to sell more and earn better rewards!

Note: Orgs must have gross sales of atleast \$1,000 to be eligible for the Incentive Program.

(We ask that you keep the tier list values private from participants.)
